LESSON FORMAT & CONTENT

A course consists of 8 lessons (one per week). The lessons are for parents/carers and babies. They consist of approximately 45 minutes signing time with your baby, using stories, songs, rhymes and play. Participants receive a booklet in their first term including pictures & written descriptions of all the main signs taught during the courses. (approx 200 signs). The booklet also includes information on the history of signing with babies, research into the subject and tips to help ensure the best results.

BABY SIGNING CLASSES - The main emphasis during baby classes is having fun. Babies acquire the majority of their knowledge and skills through play and interaction with those around them. Signing with your baby is a unique experience, enhancing the close bond between you and allowing for communication and understanding from an incredibly young age.

TODDLER SIGNING CLASSES - These classes are aimed at toddlers aged from approximately 14-18 months onwards. The lessons include a basic craft activity each week, making something interactive to play with at home, to help reinforce signs, as well as music & dance time, singing, reading stories and playing games.

KINDY SIGNING CLASSES – These classes are designed for older toddlers (2-3) who have extensive signing experience and older children (3-5 yr olds) who may not have signed before. The signs taught are more conversational than in the toddler classes and include questions and finger spelling/ letter and word recognition.

TRIAL LESSON

All prospective parents are welcome to attend a 'free' session at any of the classes I am currently running (**excluding the first lesson of each new term**). This enables you to see how the classes run and talk to other parents who are already signing.

COMMITMENT POLICY

Please read the following commitment policy carefully. The points have been put in place to ensure the best learning environment for you and your babies & children.

SIGNING HANDS COMMITMENT TO YOU

Signing Hands Classes will:

- Teach parents a variety of ways in which to introduce basic 'key' signs to their baby / toddler.
- Be fun for the babies – involving songs, stories, play and rhymes.
- Cover a wide variety of signs including family, foods, nappy changing, daily routines, colours, emotions and many more. Signs will be repeated regularly to help parents remember them.
- Be held in safe, clean environments that are suitable for babies.
- Be run in a professional manner by teachers who are experienced in baby signing and who have received training through the Signing Hands Teachers Programme.

YOUR COMMITMENT TO SIGNING HANDS

All Signing Hands Course participants agree to:

- Make payment promptly and via the stated methods. Class time is precious and should be for teaching only – not for making / receiving payments.
- Make careful note of the term dates. Signing Hands classes run for 8 weeks, not 10 like a lot of activities and do not always start the same week as the school term. No classes will run on Public holidays or in the school holidays without prior agreement of all parties. No refunds are given for missed classes, but make ups are offered.
- Arrive 5 minutes prior to the start of their lesson so that classes may start promptly. Many classes run back to back and therefore cannot overrun.
- Feed solid food discretely if absolutely necessary, to avoid other children becoming distressed or distracted. Milk / water is fine at any time.
- Advise Signing Hands by email if you do not wish to keep your place in the next term. Failure to do so by the stated date on the re-booking form will make you liable for the full-term fee.

Please sign below to indicate that you have read these commitments and return with your booking form.
